

Issac Chan

851 Corporate Center Dr. #105 Pomona, CA 91768 | issachan.04@gmail.com | (925)200-4232

Objective

I am a motivated student pursuing a career in Computer Information Systems, with strong interest in Vendor/Project Management. Eager to build professional experience, contribute to team success, and continue learning through hands-on opportunities.

Education

California State Polytechnic University, Pomona – Pomona, CA

Bachelor of Science, Computer Information Systems (Expected Spring 2027)

Amador Valley High School – Pleasanton, CA

High School Diploma, May 2023

Experience

Sales Associate

HomeGoods – Dublin, CA | Dec 2024 – Jan 2025

- Assisted customers on the sales floor, ensuring a positive shopping experience.
- Restocked merchandise and performed heavy lifting to maintain store readiness.

Brand Ambassador

American Eagle Outfitters – Livermore, CA | May 2022 – Nov 2022

- Supported checkout operations, promoting loyalty and credit card programs through sales pitches.
- Provided customer service, restocking, and product organization on the sales floor.

Projects

Google Sprint App Project – California State Polytechnic University, Pomona

- Designed and created an app prototype using Microsoft PowerPoint.
- Final prototype was then coded onto ExpoGo to make it interactive.

Tableau Dashboard Project

- Acquired a dataset and then computed using Excel and Tableau
- Analyzed and compiled data to create infographics, to visualize data.

PolyX Research Project – California State Polytechnic University, Pomona

- Researched strategies to improve student financial literacy through campus classes and clubs.
- Then compiled the data into a detailed research report
